## MOZZARELLA BAR & RESTAURANT

CUCINA ITALIANA

### SUNDAY LUNCH

---

In Italy, Sundays are totally devoted to enjoying fine, rustic, comfort food with family. It's a day where simple, hearty dishes, oozing with the flavour that comes from using the freshest Italian produce, are dished up and shared around the table with loved ones (and a few good wines too).

So, here at Salvi's on a Sunday you'll find a relaxed atmosphere and great, traditional Neapolitan dining experience where everyone's welcome.
